TESTIMONY:

A signed amended 1st pre-election campaign finance report with additional transactions was filed for this committee after May 4th. The filing of additional transactions, which changed the totals on PC1, should eliminate the need to sign the original PC1 filed in early April.

Until this year the Elections Division was NOT issuing penalties for late signatures unless the campaign finance report was never signed. The rules for signing the reports was not changed just the Elections Division's method of enforcement. The Elections Division did not notify filers that it was now going to enforce a rule that they previously had ignored.

I hereby request the proposed penalty be adjusted to remove the \$5.00 for the late signature.
