Primary General Other Measure 30

1st pre-election 2nd pre-election Supplement to 2nd pre Post-Election

Supplement to Post Supplemental Initiative Drive

TESTIMONY: case number L7603 14 June 2004

As to my eye surgery it took two months to coordinate doctors and surgery room. Even though the condition could have been malignant at the middle of January it was declared benign.

Please read the enclosed letter of 20 Feb. 2004 which I faxed to you.

I feel this explains the mixed up problem of the FADC Measure 30 C&E reports.

I have been doing C&E reports for the Oregon Federation of Democratic Women 8 yrs (1993 to 2002)

I have done C&Es for the Florence Area Democratic club for 4 yrs. (2002-2004)

This is the first problem to occur.

re: Measure 30 filing

I need to apologise for the mixed up filing of forms.
 I was waiting for the list of filing dates which didn't arrive until after Feb.7th. In the -meantime our V.P.Wilbur Patterson arranged for the printing of ads in the Siuslaw News paper and someone told him he needed to file forms. He did NOT ,check with me but 'did his own thing' and made errors..

Oct 1 I was told of serious eye surgery I needed and that it had to be coordinated with an eye surgeon, a plastic surgeon and a surgery room for 2½ hours of time... this did not occur until Dec.30 when I had the surgery and so missed the January 3 '04 meeting. So then error was put upon error in filing.. Wilbur still did not tell me or show what he did. I Was naive to think that active Democrats were informed on the election protocol... So now I'm correcting the forms.

I'm sending this one on club participation and filing office.. This weekend I will fill out the forms I received from you yesterday and will fax them on Tuesday Feb. 24th.

I hope this will clear up our record and I will be filing a Certificate for the Primary at the proper time.

Sincerely yours,

Eileen Gray, Treasurer
