RE: IUOE Local 701 Misc Political Action Committee  
#002452; Case Number L7715

This letter is in response to your letter dated June 10, 2004, regarding Notice of Proposed Civil Penalty for the above Committee. I am requesting a waiver of the violation due to the following circumstance.

The election forms and cover letter were mailed to us on April 27. The package was received at IUOE approximately April 29 and placed in the mail basket for our bookkeeper. Our bookkeeper left for vacation April 29 to return the afternoon of May 6. Due to an emergency illness with her husband while on vacation they spent an additional 4 days in the ER and hospital and wasn't able to returned to IUOE until Monday, May 10, 2004.

A letter was received on May 10, 2004 regarding Notice of Late Report for the second pre-election report. Our bookkeeper called Josi Travinski in your office immediately to discuss the situation. The second pre-election form was completed and faxed that day (May 10) with an explanation of the late filing.

Since there is no activity in this committee during the accounting period for the late report and because of the circumstance, plus the fact all prior filings have been timely filed, I would like to request a waiver of the violation.

Thank you for your consideration.

Sincerely,

G. Mark Holliday
